NATIONAL LABORATORY

HSPD-12 Update*

- US guests will be included in the implementation which starts on 10/27/05

- All US guests or only a subset of US guests is not known at this time

- No directive has been issued from BNL management to-date

- Chicago Operations will be the recipient of all documents, issuer of all approvals, and processor of all adjudications

*information valid as of the compilation of slides

Uneducated Guess into Future

- **Foreign nationals: no change**
  - 473s still required
  - 2 year badges will still be issued
- **US citizens (on-site < 6 months)**
  - Issue temporary badges not to exceed 6 months in duration
- **US citizens (on-site > 6 months)**
  - Completion of SF-85 form required
  - Full fingerprinting required
  - Temporary badges will be issued until approval is granted and PIV badge can be issued

Outstanding Questions & Concerns

- Confidentiality issues
- Storage issues
- Responsibility issues
- No process has been defined
- PIV-2
  - PIV badges currently required for computer access in 2006. Where does this leave users?
  - Changes in order are very likely
  - Can we change the current scenario?
